Dear Parents,

Greetings from St. Francis School, Deoghar.

As the ICSE Board Examinations will begin shortly, the school conveys its **best wishes to all our Class X students**. Based on their consistent academic performance, discipline, and preparation, the school firmly believes that our students will once again achieve excellent results and uphold the proud legacy of St. Francis School.

In this context, we wish to inform parents that admissions to **Class XI are subject to limited seats, strictly as per Council norms**. To ensure continuity in academics and to support students during the crucial transition from Class X to Class XI, **the school will commence a Bridge Course from the month of April**.

Parents are therefore encouraged to provisionally book seats in advance.

Further, we are pleased to inform parents that the **school management has proposed a range of academic incentives to recognize and reward meritorious performance in the ICSE Class X Board Examination 2026**. These concessions are intended to provide deserving students with continued academic support as they pursue +2 education at St. Francis School.

The proposed tuition fee concessions for the academic session 2026–27 are as follows:

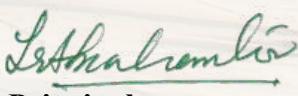

- **Top 3 rank holders of the school: 50% concession in tuition fees**
- **Students securing above 90% marks: 30% concession in tuition fees**
- **Students securing above 80% marks: 20% concession in tuition fees**

The above incentives will be applicable after the declaration of Board Examination results.

Parents are requested to contact the school office for further details regarding seat booking, Bridge Course schedule, and admission procedures.

We look forward to continuing our partnership with you in shaping your ward's academic success.

With warm regards and best wishes for the ongoing examinations,

Principal
